Operation of public bus services (midi, normal and articulated vehicles) based on a gross cost contract

Process number: BKV Zrt. 15/T-392/11.

The Contracting Entity would like to inform the interested bidders that the first stage of procurement process according to the pre-qualification system entitled "Operation of public bus services (midi, normal and articulated vehicles) based on a gross cost contract" is planned to be launched in December of 2011, considering the fact that the awarded contract will have to be in force from 1 May 2012 to replace the current contracts that are due to expire.

Based on the above, please forward your application for pre-qualification by 9 December 2011.

Following the procurement process starting in 2011, the Contracting Entity plans to launch new processes.
